- \* Please note, term fees are already discounted compared to the casual class fees. Therefore there are no credits or additional concessions applied for public holidays. These are taken into account before the Term fee is set. There are no refunds for 'shorter' term payments for missed classes due to holidays or sickness. In the case of students missing several classes due to holidays, we can apply a casual class fee instead of the term fee. Students are also welcome to attend makeup classes for missed classes.
- \* a 30% surcharge applies for casual class fees
- \* Please understand that a late fee of \$5 per 2nd reminder onwards will be charged for overdue invoices to cover additional admin costs associated with overdue invoices. If a payment plan has been arranged prior to the due date, no late fees will apply.
